Dear The Editorial Team,

Please kindly find the attached revised manuscript entitled "Communication Strategies of Individual with Down Syndrome" .

I also have uploaded the revised file in the online journal system at

<http://www.bircu-journal.com/index.php/birci/author/submissionReview/1468>

I inserted two additional citations as follow:

Tarigan, K. E. (2019). The Development of Phonological System Made by the Children. *Budapest International Research and Critics in Linguistics and Education (BirLE) Journal*, 2(2), 338-342.

and

Hutagaol, R., Saragih, A. H., & Siagian, S. (2020). The Effect of Participative Learning Strategy and Interpersonal Communication on Results of Civic Learning Education. *Britain International of Linguistics Arts and Education (BioLAE) Journal*, 2(2), 515-524.

However, in the OJS the status of the paper #1468 is still awaiting assignment.

Therefore, I cannot pay the publication fee without seeing the progress that the manuscript is really processed into reviewing and section editing stages

I will send the transfer slip as soon as there is any progress in the OJS page of my article.

I'm looking forward to hearing about it soon, thank you very much

Sincerely yours,

Dr. Rohmani Nur Indah
